

Highspeed with  
USB 3.0 and  
eSATA

## FANTEC DB-AluSky U3e.

The FANTEC DB-AluSky U3e is an aluminum hard drive housing for an internal 8.89cm (3.5") SATA hard drive. Due to the simple and quick installation and Plug & Play you can use the hard drive within a second. Via the USB 3.0 and eSATA interfaces you transfer your data at the speed of light to 5Gbit/s (with USB 3.0 to 3Gbit/s with eSATA). The black aluminum housing and the grid front provide the ideal safety for your data when on the road and a passive cooling for the hard drives.

### Specifications.

- Suited for 3.5" SATA hard drives
- eSATA & SUPERSPEED USB 3.0 interfaces
- Data transfer to 5Gbit/s (with USB 3.0)
- LED to indicate operation and access
- Strong aluminum housing
- Passive cooling through open grid front
