

FANTEC WK-200

Mini Keyboard Wireless

Control your PC or other devices instead of a conventional USB keyboard with this compact and handy 2.4GHz wireless keyboard. The layout of the keyboard is adapted to the German character set, so you can use "ä", "ö", "ü" and other typical characters without any problems. This compact and complete German keyboard is the perfect solution for on the go, as well as at home with your Smart TV, your Xbox or an Android Smart TV Box. It extends the functionality of your Smart TV remote control or Xbox by many additional functions. Or you always have a complete German keyboard in your pocket.
