FANTEC DB-ALU31

The Fantec DB-ALU31 is a compact hard drive case for the installation of a 8.9 cm (3.5 inch) SATA I/II/III hard drive, with full SATA III (6G) support (depending on the used hard drive significantly higher speed of data transfer is possible, as in normal hard drive cases). Due to the quick and easy installation via Plug and Play the FANTEC DB-ALU31 hard drive case is ready for use within seconds. The black aluminum case ensures ideal protecting of your datas even for mobile use as well as passive cooling the hard drive.

Specifications
