FANTEC DB-ALU31A

The FANTEC DB-ALU31A is a compact hard drive case for the installation of a 8.9 cm (3.5 inch) SATA I/II/III hard drive, with full SATA III support (depending on the used hard drive significantly higher speed of data transfer is possible, as in normal hard drive cases). Due to the quick and easy installation via Plug and Play the FANTEC DB-ALU31A hard drive case is ready for use within seconds. The black aluminum case ensures ideal protecting of your datas even for mobile use as well as passive cooling the hard drive.

Specifications

- For 3.5 inch (8.9 cm) SATA I/II/III Festplatten
- Supports SATA III
- USB 3.1 port
- Data transfer rate up to 10 Gbps
- Blue LED indicator for status and HDD access
- Ruggish aluminum case
