## FANTEC 4KS7800Air (4+64GB)

Discover with the 4K HDMI 2.1 Android Smart TV Media Player thousands of amazing apps and games, perfect image quality at 4K ULTRA HD & 3D FULL HD movies and sound in cinema atmosphere. You can play back all this from your external USB drives, external hard drives, from your own home network or the internet directly on your TV. The 4K HDR technology will be guaranteed by the latest chipset, due to this processor can smoothly play every movie content up to 60 frames per second. The FANTEC 4KS7800Air features a HDMI 2.1 interface, an efficient WiFi antenna with support for 2,4 GHz & 5GHz bandwidth. Discover the world of the Kodi player and be ready for an optical and technical highlight direct at your home.

### ENJOY 4K ULTRA HD & 3D Full HD

Enjoy the brilliance of movies in 4K ULTRA HD up to 60 fps & 3D Full HD. The HDMI 2.1 interface provides entire 4K play back with 60 fps and support active and passive 3D technology as well as all major 3D formats.

Another benefit for all home cinema fans will be an extra-ordinary sound reproduction.

- 1** A/V OUT
- 2** Optical
- 3** LAN Ethernet RJ45
- 4** HDMI 2.1
- 5** DC IN 5V for power adapter
- 6** USB 2.0
- 7** USB 3.0 SUPERSPEED
- 8** TF Card SDHC/SDXC

### Smart TV / Android Apps

Enjoy the fantastic world of Android. Discover millions of apps, games and other content on your TV! Read your e-mails, surf the internet and watch videos from e.g. Youtube & Kodi in full screen or play exciting games comfortable from the sofa. For a convenient use just connect a mouse and keyboard set via USB.

### Plug & Play

The Media Player allows you to easily and conveniently play or stream high-resolution movies, pictures, and music on your home network or from external storage media in 4K & Full HD quality. Just plug it in and start with the specially adapted surface!

### More colors, more power

The processors result into a high performance home entertainment device, which supports faster transfer speed for smooth play back of ultra-high-definition content. HDR ensures higher color depth and thus a brilliant and more realistic picture quality and an expanded color range.

## TECHNICAL DATA

### Specifications

- 4K ULTRA HD up to 60fps
- HDR10
- 64 GB internal memory
- 4 GB RAM
- Supports all popular 3D formats
- WiFi (2.4GHz & 5GHz)
- Bluetooth 4.2
- 100 Megabit LAN (100 MBit/s) Network connection
- 1x USB 3.0 SUPERSPEED Host, 1x USB 2.0 Host for external hard drives, USB storage devices
- SDHC / SDHC card reader (up to 32GB)
- Android 9.0
- Kodi
- HDMI 2.1 (4k@60fps)
- Digital audio output S/PDIF (optical)
- AV (audio- & video) 4-pol. 3,5mm jack output
- Programmable remote control
- Supports USB input devices (mouse & keyboard)

### Included Accessoires

- 1x external 5V/2A power supply
- 1x Air Mouse AIR-200 (batteries not included in delivery)
- 1x HDMI cable
- User Manual
- Warranty card

### Measurements (Item)

- 109 x 109 x 18mm (W x D x H)
- Net weight ~0,098 kg per piece

### Logistic Data

- Dimensions Retail Box  
202 x 127 x 55mm (W x D x H)
